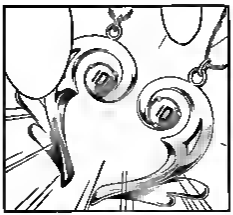
MAGIC DATA FILE 4

DUAL NECKLACE



A magical item Sasara prepared for Oosda who is in love with his childhood friend Kae-san. It gives the couple who wears them ten opportunities to be alone in a nice environment. An unusual feat for Sasara's magic, but it actually worked in getting the mood going between Oosda and Kae-san!!

However, things aren't looking so good. By the way, it seems like a similar looking item is being sold on TakeXX Street. Be sure to be wary of replicas.

LAST CHAPTER'S MVP

MVP = Most Valuable Player

♡MEIKO♡

"You'll start feeling hot on the 10th time you are alone with Kouta." Through the use of this nasty magic trick by Kukuru, things almost passed the limits acceptable in a shounen magazine. The look of hers last chapter is definitely worthy of the MVP title!! It seemed like Kouta's rationality had won last chapter, but what about this chapter...!?

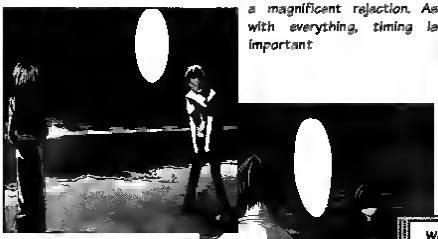
MATSUSHIRO KOUTA
A hopeless first year with little laying stamina. Has several feelings for Yoshizawa-san.
SARA
Kouta's friend. However, she looks much more like a witch.
YOSHIZAWA AKINO
Good looks, excellent grades. An unattainable goal for Kouta.
MEIKO
Kouta's childhood friend. Has mixed feelings for Kouta.
KUKURU
Meiko's younger sister. She's cute, but is quite an extreme sadist.
OSEDACCHI
He's blunt and has a mean expression. But, he's actually a really nice guy.

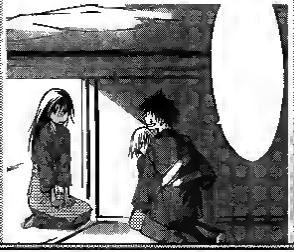
THE STORY UP UNTIL NOW IN 30 SECONDS!

For their summer holidays, the usual group decided to take up a part-time job at an inn run by someone Osedacchi knew. However, that was the start of a series of trials for Kouta! Meiko, under the influence of a spell cast by Kukuru suddenly assaults Kouta, and Yoshizawa-san happens to see everything. Seeing Yoshizawa-san walk off in disgust, Kouta desperately chases after her! After catching up, Kouta gets a little too serious about clearing the misunderstanding, and actually confesses to her!! The result... a magnificent rejection. As with everything, timing is important.



LAST CHAPTER'S MOST IMPRESSIVE SCENE

The moment when Yoshizawa-san sees Meiko was clinging to him, and Kouta makes the lamest excuse. However, it seems that afterwards, Yoshizawa-san did indeed quietly research "Judo's Pinning Techniques!"



WILL KOUTA BE ABLE TO CLEAR THE MISUNDERSTANDING BETWEEN HIM AND YOSHIZAWA-SAN!?

He's blunt and is a tsundere. Kouta's friend.

THE STORY UNTIL NOW.. IN 30 SECONDS!

Kouta, after realising that Yoshizawa-san saw him and a magically induced aroused Meiko "mess around", he desperately tries to clear the misunderstanding by giving a sudden confession!! However, tragically, it comes to nothing and he ends up in an even deeper ditch. After that, using Sasara's magic, he tries to reset Yoshizawa-san's memories, with the trigger being "pat her head 10 times". Right at that moment, an earthquake strikes them, and Yoshizawa-san's impression points for Kouta skyrocket as he protects her!! ...That was, until the magic triggered and all that hard work disappeared along with Yoshizawa-san's memories. To make things worse, she assumed that Sasara's large collection of perverted books belong to Kouta, and his impression points went down even further.

LAST CHAPTER'S MVP

MVP = Most valuable player

Yoshizawa-san's expression was too cute to handle when Kouta used his body to protect her in the sudden earthquake. Recently, Meiko had stolen all the spotlight but this one demonstration moves her right back into the heroine seat, giving her the MVP title! By the way, Neo-sensei also likes this frame very much

COUNTROUBLE PROPERTIES

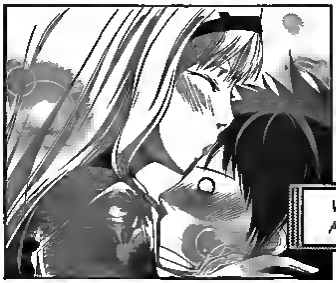
MATSUSHIRO KOUTA
A useless first year who is in love. His one-sided feelings for Yoshizawa-san.
SASARA
Kouta's cupid. Her magic is undoubtedly weird.
YOSHIZAWA AKINO
Good looks, excellent grades. An unattainable goal for Kouta.
MEIKO
Kouta's childhood friend. Has one-sided feelings for Kouta.
KUKURU
Meiko's cupid. Looks cute, but is quite an extreme sadist.
OOEDACCHI
He's blunt and is a tsundere. Does not make an appearance this month.

THE STORY UNTIL NOW... IN 30 SECONDS!

With their work at the inn done, the six people above decide to go to a summer festival in order to make Yoshizawa-san happy, as she loves fireworks. Kouta unleashes a huge load of portable fireworks with Sasara's magic. And so, as a cost of the magic, Kouta is bitten by a huge load of mosquitoes. Ahhh, you're so courageous Kouta... And then, a gorgeous girl suddenly appears in front of Kouta!! She was, the one who is going out with the hot guy from the soccer club, Shiraishi-senpai (probably), the one who is a magazine model, the one who keeps changing guys, the little devil Asaka-senpai!! She cures Kouta's swellings in an instant with some strange magic.

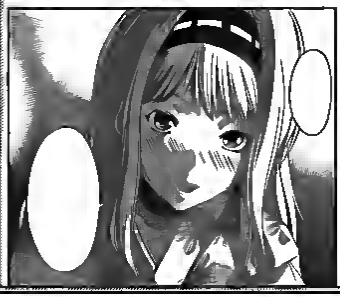
Completely ignoring Kouta's unrest, she kisses Kouta's forehead. Upon seeing Yoshizawa-san and the others rushing back, she gives an insolent smile...

We don't know what all that was for, but there's no doubt that something huge just happened.



LAST CHAPTER'S MVP

Even though it was her first appearance, Asaka-senpai immediately throws everything into chaos. Her one line to the bewildered Kouta, which would make all M-guys jealous gives her the MVP spot!! It seems like we get to see even more of her mischievous behaviour this month!!



WILL KOUTA HAVE A CHANGE OF ATTITUDE IN LOVE ALONG WITH THE START OF A NEW SCHOOL TERM!?

A MYSTERIOUS KISS FROM THE LITTLE DEVIL ASAKA-SENPAI... THIS THING CALLED LOVE, IT'S SO MUCH MORE TROUBLE THAN ANY HOMEWORK SET OVER THE SUMMER HOLIDAYS.
